INTRO

The Junior Detectives detective agency has its first case! A trickster stole the fake moustache I use for my undercover assignments.

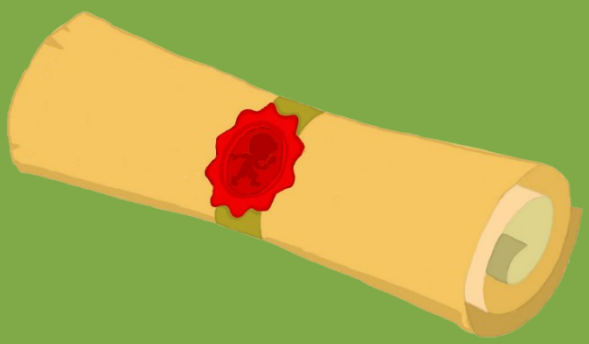

"It was on my desk, I went away for a moment, and when I came back... it was gone! Junior Detectives, follow the clues and help me find my fake moustache! I need it urgently! The first clue is:

"Dark hair or blonde, I make it shine, but if I get in your eyes I'll make you cry".

END

Congratulations Junior Detectives, you found all the clues and recovered my fake moustache!!

My head is made of metal

we got buttons and pockets
pull us down when you poo

I help them carry their books
to school and back
