INTRO

The mischievous Puzzler stole Mr Lefevre's cakes! Junior Detectives, only you can defeat the Puzzler by solving all of his riddles and help Mr Lefevre get his cakes back.

-It's a disaster, all my cakes are gone! I just found this note saying "When you wear them the day goes black, take them off, the sun comes back."

Junior Detectives, did you find the solution to the riddle?
Let's go see if there anything hidden there!!

END OF STORY

Bravo Junior Detectives, you managed to defeat the Puzzler!

My neck is long, my arms are short, I give you water cold or hot

#1 What am I?

I'm yellow, I come from a tree, people like me, although I'm sour as one can be

#2 What am I?

If you want to make a smoothie, I take off fruit skin and make it groovy

#3 What am I?

Somewhere in the living room I'm standing on my short feet, rest your arms upon mine and have a comfy seat

#4 What am I?

I have four legs, soft like a sheep, you come to me when you want to sleep

#5 What am I?

I'm taller than you, a connection we share, and when you need me, I am always there

#6 What am I?

I stand like a tree in people's hallways, no fruit on me, but coats? Always

#7 What am I?

If you make mistakes don't break your pencil in two, take me out of your bag, I'll be there for you

#8 What am I?

What has four fingers and a thumb and you wear it when it's cold so your fingers won't go numb

#9 What am I?

Find me, find me on the wall, who's the prettiest of them all?

#10 What am I?

In the old ages they lit fires in caves, but now you got me for the cold days

#11 What am I?

I have four legs, I'm friends with the table, sit on me I'm always stable

#12 What am I?

Yoghurt, meat, vegies or milk, I got your back, open my door if you want a snack

#13 What am I?
